MEMORANDUM FOR : Audit Liaison Officer

SUBJECT : Contract No. BB-350, ITEK Corp., Boston, Mass.

1. Subject Contract is scheduled for completion 30 May 1959. Barring any unforeseen delays, costs will be available for final audit about 1 August 1959. Accordingly, you are requested to conduct a final audit of the subject contract based upon the above schedule.

2. For your information, there has been no GFP furnished to the Contractor to our knowledge. Patent and Royalty Statements have not been received and should be solicited during your final audit. It is anticipated there will be no contractor acquired property, however, your audit should determine this fact. If there is any, appropriate instructions will be issued.

3. If there is any additional information we can furnish you, please advise.
